Neiman Marcus unveils the magic of the 94th edition of the iconic Christmas Book and legendary Fantasy Gifts.

First published in 1926 as a 16-page booklet, the Neiman Marcus *Christmas Book* was initially intended as a Christmas card to its best customers. Over the years, the book has evolved into a legendary source for alluring and spectacular gifts while maintaining its personal and timeless touch. This year, Neiman Marcus presents

its *Christmas Book* to inspire you to capture the joy of the holidays this season by creating moments of connection and acts of love with more personal gift-giving.

Neiman Marcus continues to spread the magic of the holidays through this Book, along with our Fantasy Gifts, in-store Gifting Lounges, and our Gift Advisors through Neiman Marcus online. The whole Neiman Marcus family joins me in our wish that the holidays are full of joy, love, and the magic of giving."

These luxury gifts are designed to excite customers around the magic of the season, while creating meaningful experiences and memories to last a lifetime. Each gift represents a unique story of creation and craft by modern artisans, reflective of a rich history steeped in exploration and imagination.

Available online at Neiman Marcus, customers will simply answer a few questions about who they are shopping for and how much they would like to spend, and a curation of suggested products will populate. The quiz can be taken as many times as necessary to find the perfect gift for everyone on your list.

Secondly, Neiman Marcus' [Gift Advisors](#) are personally available to help customers take gift finding to the next level this holiday season. With the Gift Advisor quiz, customers can match with an expert Gift Advisor for the holiday season to help them find the exclusive, hard-to-buy-for gifts, or even a little something for themselves. KEITH & JAMES CUSTOM-MADE HATS

James Keith was born in a small town where hats were an everyday essential, along with traditions of hard work, family, and love. In 2016, guided by those values, James donned his entrepreneur's hat, and his fedoras quickly became coveted by fashionistas and celebrities alike. With this offering, the milliner and partners Alvin and Calvin Waters have topped themselves again: a signature collection of custom-made chapeaus, designed in collaboration with luminaries including Run-DMC, as well as globally renowned street artists such as Paul Gerben, PixelPancho, Man One, RISK, and Leroy Campbell. Customers will also receive signature hatboxes and custom display cases, as well as a chance to chat virtually with the man behind it all. Jesse now distills that wisdom into some of California's most lauded vintages. Neiman Marcus is now offering customers the chance to meet the superstar: Montage Healdsburg invites you and up to five others to a five-night wine-country escape to unwind on the 258-acre resort, complete with 15.5 acres of private vineyards and outdoor recreational experiences. PERINI RANCH & BEEF FOR A YEAR

Neiman Marcus has always catered to those who think big. Think back to 1959 and one of the company's original Fantasy Gifts: A Black Angus Steer. Tom Perini has thought big since he first fell in love with ranch life as a kid, working his family's land. In 1973, he turned his passion for ranching culture—and cuisine—into a celebrated career as America's quintessential cowboy gourmet. In a tribute to big thinkers like Tom, and as a nod to their own history, Neiman Marcus is offering customers not only culinary delights, but also the chance to meet the rancher/chef himself with a trip to the James Beard Award winning Perini Ranch Steakhouse in Buffalo Gap, Texas (pop. 463). Through this Fantasy Gift, customers will meet the Perini family and learn firsthand about the ranching industry's commitment to renewable energy and sustainable, ethical ranching

practices. Plus, you'll be saddled up with a year's supply of signature beef tenderloin.

In addition, with the purchase of the Perini Ranch experience, \$10,000 will be donated to The Heart of Neiman Marcus Foundation, supporting Boys & Girls Clubs of America; shipping charges, taxes, and additional fees may apply. Private airfare included through Jet Linx. Gift limited to one experience. Visit neimanmarcus.com/FantasyGifts or call 1.877.966.4438 for more information. (\$185,000; page 66-67)

THE SHELDON CHALET ALASKA EXPERIENCE

More than 70 years ago, while mapping the Alaska Range, pilot Don Sheldon discovered this remote and magical location. Wanting to share his wonderland with the world, he built the historic Sheldon Mountain House in 1966. A new building was added by his children in 2018, using Don's original plans, which envisioned a bold monument, a haven among the peaks, just 10 miles from Denali's summit. And now, the family wants to share it with you. Neiman Marcus is inviting customers and up to five guests to take escapism to new heights, bringing your party to this secluded place for five nights. Customers will enjoy a private chef, a glacier exploration led by professional Denali guides, spectacular night skies, and more. Plus, Robert Sheldon will be on hand to discuss his family's trailblazing history.

With the purchase of the Sheldon Chalet experience, \$10,000 will be donated to The Heart of Neiman Marcus Foundation, supporting Boys & Girls Clubs of America, and Sheldon Chalet will donate \$5,000 to the Denali Education Center; shipping charges, taxes, and additional fees may apply.
